## School News

### Fine Arts Fair

We had a great day on Saturday at the Fine Arts Fair. It was good to see everyone there having fun using their talent's to glorify God.

### End of the Third Quarter

This Friday is the end of the 3<sup>rd</sup> quarter of our school year. Please make sure all of your child's work is complete and turned in to their teacher. Report cards will come out after spring break. Don't forget that spring break is next week and there will be no classes until March 23<sup>rd</sup>.

### Lent Dinner

Every Wednesday at Lord of Life Lutheran Church before our service we have a dinner that is served by volunteers. This week the school is going to host the dinner. We will need willing and able families to sign up and bring certain food items. There will be a sign-up sheet on Mrs. Shade's desk for you to pick something. The Wednesday dinner starts at 6:00 P.M. at the church. The service starts at 7:00 P.M.

### Financial Peace University

Lord of Life will be conducting another round of Dave Ramsey's Financial Peace University. This is an extensive 13 week course on helping people get their finances straight not only now but also in the future. I took the course a year ago and can attest to its benefits for me and my family. I would encourage anyone interested to let me know and I can give you more information. I don't have the dates yet but will know them soon. The cost for the class is \$95 per family or individual. In this tough economy, it might be a great time to re-evaluate your financial situation.

### Pre-School and Kindergarten Round-up

This coming Sunday between 12:00-2:00 P.M. we will have a round-up for anyone interested in Pre-school or Kindergarten next year. If you know anyone that might be interested, let them know and they can contact the school for more information.
